

7th February 2023

Dear Parent/Carer,

**RE: Year 11 Mocks: 27th February - 10th March 2023**

Your child has now been given an examination timetable for their mock exams starting on Monday 27th February 2023 (see reverse). We also wanted to take this opportunity to make you aware of the following:

1. **Revision.** Over the February half term we expect that all students will spend time revising. We are suggesting that students complete three sessions a day, in line with the revision schedule that has both been posted on Google Classroom and sent home with this letter.
2. **Timetables.** The school's timetable will remain unchanged during the mock period to ensure students continue to receive support and guidance from staff. Students will attend lessons as normal outside of exams. Please make sure your child is in by 8.45am for a free breakfast so as not to be late for the 9am exam slot.
3. All exams take place in the morning and will be held in Springwest Sports hall in order to replicate the real exams. Please make sure students are fully prepared with the correct uniform, a clear water bottle and clear pencil case containing a pen, pencil, rubber and ruler. Students should arrive at Logic as normal and will be taken to Springwest for their exam.
4. If your child is unwell on the day, please call reception as normal. There will be a catch up slot available for any missed exams.
5. Please check out our weekly email (Monday 4pm) for more revision tips!

Thank you for your continued support at this important time in your child's education.

Yours faithfully,

Alex Pett

## Year 11 Mock Examination Timetable

	Monday	Tuesday	Wednesday	Thursday	Friday
