

7th February 2023.

Dear Parent/Carer,

**RE: Year 13 Mocks: 27th February - 10th March 2023**

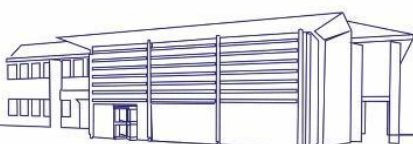

Your child has now been given their examination timetable for their mock exams starting on Monday 27th February 2023 (see reverse). To ensure that your child is prepared for these exams please be aware of the following:

1. **Revision.** We expect students to spend at least four hours a week revising for each A-level subject. This will be guided by teachers with resources available through Google Classroom.
2. **Timetables.** The school's timetable will remain unchanged during the mock period to ensure students continue to receive support and guidance from staff. Students will attend lessons as normal outside of exams. Please make sure your child is in by 8.45am for a free breakfast so as not to be late for the 9am exam slot. For other exams, they should meet in the Logic Cyber Cafe 15 minutes before the exam start time.
3. All exams take place in the morning and will be held in Springwest sports hall in order to replicate the experience they will have this summer. Please make sure your child is fully prepared with a clear water bottle and clear pencil case containing a pen, pencil, rubber and ruler.
4. If your child is unwell on the day, please call reception as normal. There will be a catch up slot available for any missed exams.

Thank you for your continued support at this important time in your child's education.

Yours faithfully,

Alex Pett
