Dear Parent / Carer,

**RE: Year 13 Mock Exam Information and Timetable**

As part of our preparation for A Level exams this Summer, students will be undertaking formal Mock Examinations from **Friday February 27th to Friday March 13th 2026**.

These assessments will focus on students' understanding of content covered to this point in a format that will be similar to their final exams. Assessments will take place in all A Level subjects.

More specific details regarding these assessments can be found below:

- The days and times of each exam are shown overleaf. It is vital that students attend on time.
- As in the Summer, our exams are run in conjunction with Springwest Academy and will take place in the gym / dance studio at SWA or the TPET building onsite. Students will be taken to these venues for each exam.
- Students with Access Arrangements will need to make use of these during these mocks or risk these being removed before the formal exam period. (This is based on new guidance from the exam boards).
- If a student misses an exam, they will need to complete this during the catch up slot as agreed with their subject teacher and Head of Year.
- **Students will attend normal lessons at other times of the day; there is no study leave.**
- Intervention sessions and revision will run and will be co-ordinated by individual subject staff.

These exams are vital for your child and we expect all students to prepare effectively so that they can achieve their potential in their Summer exams.

Staff have spent time providing resources and support for students, both in lessons, during intervention sessions and during our recent PD weeks. Additional preparation materials and exam content is available on the individual subject Google classrooms. Students should be using the Reduce - Recall - Reapply technique to revise.

Thank you for your support of your child. By working together, we hope we can support your child to exam success later this year.

Yours faithfully,

John Cadogan  
Vice Principal
