

Thursday February 5th 2026

Dear Parent / Carer,

**RE: Year 12 Meet your Subject Teacher Evening – Thursday March 5th 2026**

Firstly I would like to thank you for your support during the first part of the academic year in what has been a really positive start for our Year 12 students. For some the move to a new school can be challenging, while even for students who were with us in Year 11 at Logic, the changes can also present a different challenge.

Our Year 12 Subject Teacher Parents Evening takes place on **Thursday March 5th from 4.30pm - 7.00pm. It is expected that all students and their parents attend this evening.**

We look forward to discussing the progress your child has made at our upcoming parents evening. We will also discuss how we are supporting your child as they prepare for the transition into and after Year 13.

Students have been given an arrival time slot based on their surname. This will allow parents and students to see all of their teachers at this time.

If you are unable to attend at this time, please contact Mrs San Sebastian via email on [m.sansebastian@logicstudioschool.org](mailto:m.sansebastian@logicstudioschool.org) to arrange an alternative time for this evening.

We really value these opportunities to talk with you as we know that working together makes a huge difference in supporting student progress.

Yours faithfully,

Alex Pett  
Principal
