Logic School Year 10 Residential Trip to South Wales

Dear Parent/Carer,

I can now confirm that the Year 10 camping trip to South Wales will take place from **Monday 13th to Wednesday 15th July 2026** this year.

Our aim is to give all students the opportunity to take part in a range of enjoyable and practical activities with their friends in a different environment and finish their first year at Logic in a really positive way.

We will be camping in Llantwit Major, close to the fantastic Welsh coastline at the Acorn Campsite. Facilities including showers and toilets are included. All food will be provided for students by a local catering company and students will be asked to provide dietary requirements at a later date. All activities will be run by local activity providers with whom we have worked before.

The **provisional** plan is as follows (**more precise details will be confirmed closer to the time**):

Monday July 13th

- Leave London at approximately 9am and travel by minibus to South Wales
- A visit to Cardiff Aqua Park or Tenpin bowling.
- Practical activities possibly including tent building, a beach visit, treasure hunt and or / a night walk

Tuesday July 14th

- Practical activities to include paintballing and surfing.
- Evening option tbc but possibly a visit to Barry Island funfair, bowling or crazy golf plus team games, beach visit, night walk, etc.

Wednesday July 15th

- Breakfast and pack up
- Travel to Logic, arriving at approximately 2pm.

The **full cost of the trip is £180**, but to make it more accessible, the school is **subsidising the cost**, so families only need to pay **£110 per student**. This includes the cost of the transport, equipment, activities, catering, accommodation and insurance.

To secure a place, please pay a £40 deposit via ParentPay and return the medical form ASAP.

Participation in the visit is voluntary. However, we would not like any child to miss out on this opportunity on grounds of financial hardship, and would encourage parents to contact the Principal if this is an issue.

We hope you agree that this will be a hugely beneficial and enjoyable visit for the students. This is the 8th year we have run this trip and students have always had a fantastic and memorable time. Students who do not attend will undertake normal lessons in school this week – not recommended while everyone else is having fun!!

We reserve the right to remove students from a trip or prevent students from attending if we feel their behaviour, attendance or attitude does not warrant their participation. This will be at our discretion and deposits will not be refunded at this stage. There may also be students who we feel cannot attend as we cannot trust their behavior in a residential environment.

If you have any questions or concerns, please do not hesitate to contact me at school via email on j.cadogan@logicstudioschool.org

Yours faithfully,
John Cadogan
Vice Principal
