

Friday May 22nd 2026

Dear Parent / Carer,

Please find below the timetable for the **Year 10 End of Year Exams** which take place from **Monday 15th to Monday 22nd June 2026**.

The aim of these exams is to help students gain an understanding of what they will face in next year's GCSE exams and allow teachers and students to assess where they are in terms of progress at this stage.

A few key points to note:

- Students should attend school as normal for a 9am start in full uniform.
- Students will have a revision session in their form room during Period 1. They should bring resources for this session but also need to be revising at home.
- Exams will start at 10am in different venues each day and will take place during Periods 2&3. Students will return to lessons from Period 4 onwards.
- The exception to this are
 - The 'options' exams which take place on Thursday 18th June starting at 2.30pm.
 - The English language exam on Friday June 19th **starts at 9am and takes place at TPET**. Students will then attend a Maths Revision session P3, before being allowed to leave at breaktime (unless they have an exam to catch up on).
 - The Maths Exam on Monday June 22nd **starts at 9am and takes place at TPET**. Students will be able to leave school after this exam (unless they have an exam to catch up on).
