Dear Parent / Carer / Student,

Re: Year 12 End of Year Exams and Plans

Please find below the timetable for the Year 12 Mock Exams which take place from **Monday 15th to Friday 26th June 2026**.

The aim of these end of year exams is to help students gain an understanding of what they will face in next year's A Level and BTEC exams. It will also allow teachers and students to assess where they are in terms of progress and to help us identify any concerns moving into Year 13. Additionally, we use these grades for student's UCAS and Apprenticeship applications.

A few key points to note:

- Students should attend school and all lessons as normal throughout the week.
- Exams will take place during normal lesson times as detailed below.
- These exams will be used to assess student's suitability for Year 13 courses so they are vitally important. Students must revise if they are going to be successful.
- If a student misses an exam, they need to meet with their subject teacher to discuss a suitable alternative.
- **Monday 22nd June** - Study at home day plus BTEC Catch up day for identified students.
- **Wednesday 24th June** - Unit 3 Business Exam - Other students attend Futures as normal.
