Dear Parent / Carer,

Re: Year 11 Steps to Success Evening

Firstly, I want to thank you for the positive way in which students have started at Logic this year. It has been great to have students returning for lessons and Year 11 have had a great start to the term.

This first meeting of the year will take place **on Thursday September 17th at 4.45pm in the Cyber cafe.**

This is an opportunity for parents of our Year 11 students to meet with and hear from the KS4 team about how Year 11 works for our students and what you can do to support your child with their studies this year, as they prepare for GCSE and BTEC exams. We will also discuss some key information relating to Post 16 options.

Please arrive from 4.35pm and you will be directed to the Cyber Cafe for the presentation. Students are also welcome to attend with parents and carers.

We really value these opportunities to talk with you, as we know that working together makes a huge difference in supporting student progress. We look forward to seeing you on Thursday September 17th.

If you have any queries or questions in the meantime, please do not hesitate to contact Mr Allman using the details here:

Harry Allman - Head of Year 10 and 11 - h.allman@logicstudioschool.org

Yours faithfully

Alex Pett
Principal
