Dear Parent / Carer,

Re: Year 13 Steps to Success Evening

Firstly, I want to thank you for the positive way in which students have started at Logic this year. It has been great to have students returning for lessons and Year 13 have had a great start to the term.

This first meeting of the year will take place **on Thursday September 17th at 5.30pm in the Cyber cafe.**

This is an opportunity for parents of our Year 13 students to meet with and hear from the Sixth Form team about how Year 13 works for our students and what you can do to support your child with their studies this year, as they prepare for GCSE and BTEC exams. We will also remind you about key information relating to Post 18 options.

Please arrive from 5.25pm and you will be directed to the Cyber Cafe for the presentation. Students are also welcome to attend with parents and carers.

We really value these opportunities to talk with you, as we know that working together makes a huge difference in supporting student progress. We look forward to seeing you on Thursday September 17th.

If you have any queries or questions in the meantime, please do not hesitate to contact Mr Richardson using the details here:

Will Richardson - Head of Year 13 - w.richardson@logicstudioschool.org

Yours faithfully

Alex Pett
Principal
