

Thursday October 15th 2026

Dear Parent / Carer

Meet your Form Tutor Evening - Thursday November 12th 2026

Firstly, I want to thank you for the positive way in which students have started at Logic this term. It has been a pleasure to see how well students have taken to their lessons and we have had some great learning taking place over the last few weeks.

This first progress meeting of the year will take place with our Form Tutors and is a vital opportunity for you to get an understanding of your child's progress since the start of September.

This will take place **on Thursday November 12th 2026**, with appointments running **between 4.30pm and 6.30pm**. As a result, school will finish at 3.10pm on this day for all students, to allow the evening to run.

- Appointments will last for 10 minutes per student.
- Please discuss a suitable time with your child.
- Students then need to make appointments with their Form Tutors ASAP during Prep or form time, using the slip below.
- We will try and accommodate a time as close as possible to the one requested.

If you need any assistance, please email info@logicstudioschool.org or call reception on 02088313001.

We really value these opportunities to talk with you as we know that working together makes a huge difference in supporting student progress.

Yours faithfully

Alex Pett
Principal
