Friday November 6th 2026

Dear Parent / Carer,

RE: Year 11 Assessment Week - WB Monday November 30th 2026

As part of our preparation for GCSE Exams next Summer, students will be undertaking formal assessments during the week beginning Monday November 30th. These will assess students' understanding of content covered to this point in a format that will be similar to students' final exams.

More specific details regarding these assessments can be found below:

- Assessments will take place every morning, with two exams each day. Students will leave school after their second exam each day; designated revision rooms will be made available for those who wish to remain on site and work.
- Assessments will last for a maximum of one hour.
- On Thursday, students will have one exam in session 1 only before going home. On Friday, Year 11 students will not need to attend school.
- If a student misses an exam, they will need to complete this during the catch up slot in session 2 on Thursday morning.
- **Session 1 -** Students should arrive on site as normal for a 9am start and go directly to their Prep room for a revision session. Assessments will start during Period 2.
- **Session 2** - Students will be directed to a set classroom for revision before their exams begin at approx 12.15pm.
- Most assessments will take place in Logic classrooms under normal exam conditions; with Maths and English Literature taking place in the gym at Springwest (our normal exam venue for the Summer).
- Students with Access Arrangements will need to make use of these during these assessments or risk these being removed before the summer exam period. (This is based on updated guidance from the exam boards).
- **The specific exam timetable for each day can be found overleaf.**

Students have attended Revision Carousels, which explained the upcoming exams and the revision technique, Reduce - Recall - Reapply that they should use to revise. This has been modelled in their subjects. Students have access to their Curriculum plans, revision material with Reduce - Recall - Reapply instructions and a topic revision list on the '2026-27 Year 11 Revision' Google Classroom.

After school subject Intervention is taking place weekly in English, Maths and Physics with a number of students. If your child has been invited for a session, we encourage them to attend, as this forms an integral part of their learning.

Thank you for your support of your child. By working together, we hope we can support your child to exam success later this year.

Yours faithfully,
John Cadogan
Vice Principal

Day and Date	Exam	Time	Venue
Monday November 30th	English Language	9am	Logic
Monday November 30th	Business	11.50am	Logic
	Home after second exam or revision room until 4pm
