Monday November 9th 2026

Dear Parent / Carer

RE: Year 13 Assessment and Mock Week - Friday November 27th and WB Monday November 30th 2026.

As part of our preparation for A Level and BTEC exams this year, students will be undertaking formal assessments from Friday November 27th to Thursday December 3rd 2026.

For A Level students, these assessments will focus on students' understanding of content covered to this point in a format that will be similar to their final exams. Assessments will take place in all A Level subjects.

For BTEC students, there will be more formal Mock exams in the subjects below in preparation for the external exams taking place in January. This applies to the following units:

- Business Unit 3 - Personal Finance.
- Business Unit 6 - Leadership and Management.
- IT Unit 1 - Information Systems.
- IT Unit 2 - Creating Systems to Manage Information
- Travel and Tourism Unit 1 - The World of Travel and Tourism

More specific details regarding these assessments can be found below, with a timetable for all assessments and mock exams overleaf:

- A Level assessments will take place during identified normal lesson time for those subjects and will last no more than 1 hour 30 minutes.
- The same applies to BTEC exams in IT and Travel, with the Business exams taking place outside of specific lesson times at the times identified.
- Assessments will take place in Logic classrooms, the TPET building and the Springwest gym under normal exam conditions. See below for more details for specific exams.
- Students with Access Arrangements will need to make use of these during these assessments or risk these being removed before the formal exam period. (This is based on updated guidance from the exam boards).
- If a student misses an exam, they will need to complete this during the catch up slot as agreed with their subject teacher.

These exams are vital for your child and we expect all students to prepare effectively so that they can achieve their potential. Staff have spent time providing resources and support for students, both in lessons and during our recent PD week. Additional preparation materials and exam content is available on the Google classroom for each subject. They should be using the Reduce - Recall - Reapply technique to revise.

Can I also highlight our **Parents Evening which takes place on Wednesday December 16th** for all Year 13 students and parents / carers. This will be an opportunity for you to meet with individual subject teachers and discuss the results your child achieved in their assessments, as well as what they need to focus on to prepare for their future exams. Further information will follow regarding this evening.

Thank you for your support of your child. By working together, we hope we can support your child to exam success later this year.

Yours faithfully,
John Cadogan
Vice Principal

Day and Date	Exam	Start Time	Venue
Friday November 26th	Business Unit 6	9am	Logic IT Rooms
Monday November 30th	English	9am	TPET
Monday November 30th	Physics	9am	TPET
